

WE KNOW - WE KNOW - Christmas season is a happy time. It's fun to plan a New Year's party...but—

There are occupational hazards that go with the publishing of a community weekly newspaper that can take some of the joy out of the holidays, even if precautionary measures are taken beforehand.

After so many years of being exposed to the "season", as a weekly newspaper publisher, we should become immune to some of the more consistent and persistent problems that are bound to arise.

But it never happens. We always are aware that things are going to be hectic during Christmas time and the days before New Year's.

So then we are always hoping that we will be so well organized that everything will fall into place with the minimum of effort so we can enjoy the "season" to the fullest.

After all, we have had more years of experience at it than we can enumerate.

As a f'instance...Of a regular crew of eight, three were on duty the day after Christmas...

And the paper was scheduled to come out a day early.

-0-

YOU KNOW YOU HAVE it all over us in one respect...

It is obvious that, if you are reading these gems that have dropped off our typewriter, the newspaper must have made its appearance.

Hopefully on schedule.

However, as we write these pearls of wisdom, we are sort of treading an unknown realm, like the astronauts did in 1969.

The astronauts landed on the moon and that's where they were aiming.

So we can aim too. It's the landing that's rough.

-0-

AS HAS BEEN THE CASE for many years, an attempt has been made in this edition, to record, pictorially, the highlights of the year in Campbell.

From the files of the last 51 newspapers, photos of newsworthy or noteworthy happenings in this community were assembled.

Then a valiant effort was made to fit them into the space that was available.

That always presents a difficult problem in logistics, i.e., space vs. matter.

In addition, of course, there were always differences in opinion as to what constitutes noteworthy or newsworthy events of the community among those of us who were digging into the local archives.

We are, of course, making it sound like a federal case.

Actually it is sort of fun to review the past 12 months and then attempt to find pictures that tell the stories.

-0-

SOME EVENTS, FOR EXAMPLE, do stand out.

Most of you will probably agree that they deserve this "instant replay".

Years of experience at this sort of thing, indicates that there will be room on the front page for about 10 of such pictures, provided one squeezes and cuts in the right places.

Why don't you try on for size, the ones that appear on the front page in this issue?

-0-

CONSTRUCTION OF "The Towers" was almost a year-long project...

Early in 1970 it will be ready for occupancy, but the first girders of the 18-story building went into place last April.

In September the building was up and the floors were being enclosed in glass. (Two pictures.)

This city has been incorporated.

Save park appeal gains strength

A SORT OF BEFORE AND AFTER THING—Two members of the Parks and Recreation Commission, (above) graphically illustrate what a 288-unit, 4½-story apartment complex will do to the open-space area that is adjacent to the city-owned park.

Bill Podgorske (left) points to the area as it now exists while

Don Hebard shows how the apartments will shrink it.

The Parks and Recreation Commission has appealed the Planning Commission approval of the apartments. The appeal is on the City Council's agenda for next Monday.

JANUARY

WHEN THE MAYORS GOT TOGETHER—Some sort of record was set at the Campbell Chamber of Commerce annual installation in January of this year when ALL the past mayors of the City of Campbell, along with the current mayor, Bill Smeed, were guests of the CofC. Very few cities that have been in existence as long as Campbell could present such a united front of City VIP's.

Campbell was incorporated in 1952 and Dick Morton served as mayor for the first four years.

The term for mayors is now one year but until 1966 it was two years.

Pictured are back row, left to right, Ralph Doetsch, Sr., (1966-67); Charles Rose (1964-66); Pete Lico (1962-64); Ed Rogers (1967-68); Bill Smeed, present mayor.

Seated, left to right, Henry (Whitey) Weitzel (1960-62); Richard W. Morton (1952-56); Myron Fairchild (1958-60); John M. Chargin (1956-58).

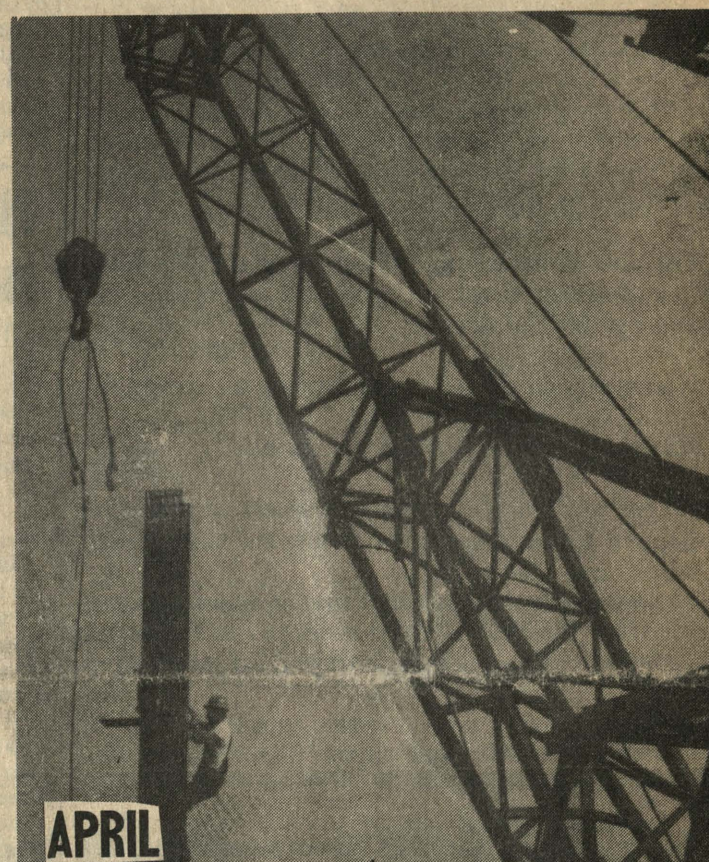

JANUARY

CITIZEN-OF-THE-YEAR—Mrs. Courtland (Jeanette) Watson, of 61 Catalpa Lane, Chairman of the Citizens Beautification Committee "starred" twice at the annual Chamber of Commerce installation dinner-dance at the Villa Felice.

She was the lone woman (out of 18 members) installed by Superior Judge Richard (Dusty) Rhodes as a director of the CofC for next year.

Then as the climax of the evening, it was revealed that she had won the citizen-of-the-year award for 1968.

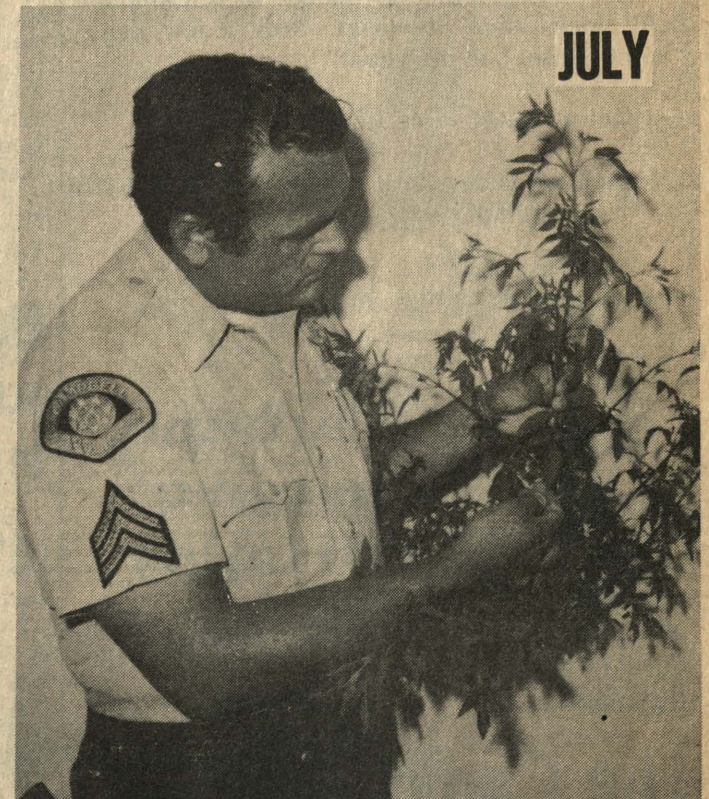

First girders go into place for 'The Towers'

APRIL

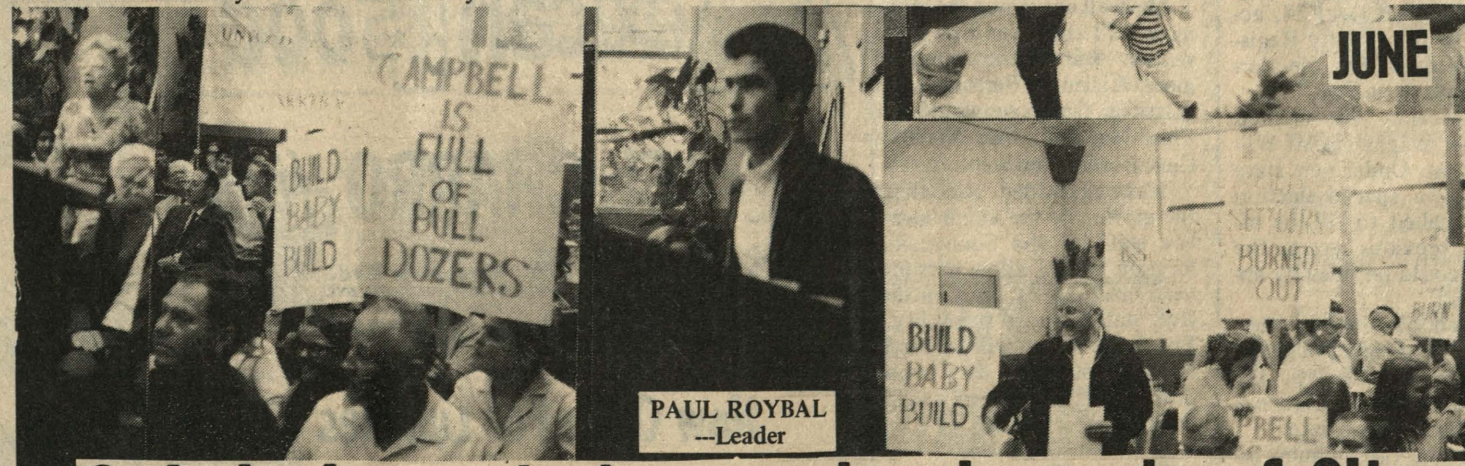

What promises to be Santa Clara Valley's most spectacular and dramatic building really "got off the ground" on Tuesday of this week as the photos above will testify.

Huge steel girders, rising to the height of the first floor of Campbell's first skyscraper, the 18-story office building, "The Towers", went into place giving some indication as to how mammoth the structure will be when completed.

Editorial

Happy New Year

Will the changes that will take place in this community during the next 10 years be as dramatic or as drastic as they were in the past 10 years?

That, of course, is a ridiculous question, for there is no crystal ball around that can give the answer.

Yet as the curtain drops on another decade of the 20th century in Campbell, one cannot help but wonder what is in store for this community in the next decade and just how we will be affected.

To be on the safe editorial side, we probably could assert, with some basis of fact, that "many, many believe that this community stands on the threshold of a new era of progress that will far outdistance the dream of even the most optimistic in the past..."

As we said, this paper could make that assertion... In fact it has.

That happens to be a direct quote from The Campbell Press issue of Dec. 29, 1959!

And we quote further from that final edition of 1959:

"We are convinced that 1960 will bring many changes to this community. Some of them will be almost revolutionary in scope with respect to our thinking of the past.

"But growth alone does not necessarily mean progress.

"As much as we might prefer to allow the status quo to remain unchanged in this community, it is inevitable that there will be both growth and progress..."

Although 10 years have gone by since that editorial was written (by the same editor, by the way), obviously only the dates need be changed, for it is general enough to apply to the current history.

The special census in 1959 showed that Campbell had a population of 10,800...The population has doubled in the last decade.

Is it going to double again during the next 10?

Are we prepared for that eventuality?

We are not going to attempt to guess what is going to happen to this community during the next decade.

But we sincerely hope that this community keeps its identity. We believe that is necessary so the people can continue to have a voice in their local government.

There is more of a need today, in our opinion, for community identity and citizen involvement than there was 10 years ago.

But community identity is becoming harder and harder to hold onto in this area.

One major change that took place in this area during the past decade was the advent of a new mode of life--apartment-living.

In 1959, most of the 10,800 people in Campbell lived in single-family dwellings. Only a few major apartment houses had been built.

That picture has changed radically.

Is it going to change that much more during the next 10 years? Tempus fugit.

So, from all of us to all of you,

HAPPY NEW YEAR.

All around the town it's Happy New Year time.

City treasurer to run again BUT thinks position should go

Mrs. Velma G. Olds, city treasurer since 1958, announced at the last City Council meeting that she would seek reelection for her fourth four-year term as treasurer in April, 1970.

She added, however, she favored the elimination of the position which pays \$100 per month.

She suggested that the City Council consider placing a measure before the voters in the city election in April which, if passed, would eliminate the office of city treasurer in 1974.

At the same Council meeting, Mrs. Olds thanked the councilmen for the proclamation presented to her and her husband, Dr. Corwin Olds, on the occasion of their 50th wedding anniversary. Dr. Olds is pastor emeritus of the Congregational Church of Campbell.

Mrs. Olds is only the second city treasurer in this city's history and, if she completes the new term she plans to seek next April, she will have served 16 years in that office. In 1958 she defeated Ed Merrill, the incumbent city treasurer who had served from the time the city had been incorporated in 1952.

In suggesting that the position of city treasurer be eliminated (after her next term), Mrs. Olds emphasized that the city now has an excellent finance department, headed by Geoffrey Whitaker, finance director.

She indicated that, if she were reelected in April, she planned to appoint Whitaker as deputy city treasurer which

MRS. VELMA G. OLDS
—city treasurer—

would allow him to function for her whenever she was unable to perform the duties of the office.

The Council took no action on the suggestion but directed City Manager Bob Stephens to check with the League of Cities and ascertain what cities have eliminated city treasurers, replacing them with appointed finance directors.

The Council, on the suggestion of Councilman Bill Smeed, on Jan. 12 will set a date for a study session on the question.

Stephens explained that the matter would have to be considered before Feb. 19, 1970, if the measure was to be put on the ballot.

Planning Commission action may revive third-screen hassle

Three items before the Planning Commission on Monday, Jan. 5, affecting the Winchester Drive-in Theater, could result in head-scratching and soul-searching on the part of city officials, observers of the City Hall scene predicted this week.

Involved is the controversial land-locked six-acre parcel owned by Syufy Enterprises, operators of the present two-screen Winchester Drive-in movie which adjoins it.

The theater people have indicated for some time that they want to place a third screen on the property. But to do so the present apartment zoning (R-3-S) must be changed to M-1-S.

But the Planning Commission and City Council have thus far refused to change the zoning.

Complicating the problem is that accessway is needed to a major street, if apartments are built on it. An access street could be provided to Union Ave. from the property, it has been pointed out, provided permission from the property owners can be obtained.

On the agenda for the Planning Commission on Jan. 5 is the application by Syufy

Enterprises for approval of plans for a 224-unit apartment on the parcel.

The theater firm has also filed two other requests. One is for a zone-change for the property from R-3-S to M-1-S, the proper zoning for a drive-in theater, and the other is for a use permit to allow the expansion of the existing drive-in theater onto the property with a third screen.

On the agenda for Jan. 5, is the request of Anthony C. Morici, developer of the former Gomes Ranch, for a service station at 136 E. Hamilton.

A hearing is also on the agenda on the application of Dolores Pozzi for a zone change of property located at 530 W. Campbell Ave., from R-1-S to C-1-S. The property adjoins the controversial Lowell Grattan parcel that the Planning Commission recommended for R-2-S and was upheld by the Council.

Fire department staff to move

Administrative offices of the Campbell Fire Department will be transferred to the almost-completed Fire Station No. 2 on Sunnyoaks on a temporary basis until the new headquarters station on W. Campbell Ave. is constructed.

The City Council has approved the request of Fire Chief George Maxwell for the relocation of the offices because of overcrowded conditions at the present headquarters station on Central Ave.

Maxwell explained that the move will allow the Fire Prevention Bureau to operate more efficiently. Personnel involved in the move would be Chief Maxwell, Fire Marshal Gene Borden and a secretary.

Maxwell added also that the moving of the administrative staff to the Sunnyoaks location would allow personnel remaining at the Central Ave. station more flexibility. The front office will be used by the captain on duty who now uses the kitchen as an "office."

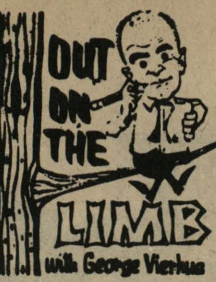

City allocates \$500 for field

In order to complete the concrete block wall field house building at the Campbell-Moreland Pony League ball field at Rincon Park, the City Council has allocated \$500 to be expended for labor.

Construction of the ball field facilities had been undertaken by volunteer labor but the work has bogged down. The allocation was recommended by Bill Wren, public works director, as a means to protect the city's investment at the field.

Allocations made by the City in the past were limited to materials.

MORE ABOUT

(Continued from Page 1)

porated since 1952. In January of this year ALL of the mayors (nine) were photographed at the CofC installation dinner. (Homer Hyde, mayor #10, succeeded Bill Smeed in April.)

That's another front page job. (Agree?)

Then, of course, one of the most outstanding achievements of the citizens of this city was the campaign and the successful passage of the park bonds in June.

That, too, is recorded pictorially.

And the others?

Bill Means, after 25 years as a druggist in town, sells his interest in the Campbell Drugs, a store he founded in 1956.

Two servicemen, who grew up in Campbell, across the street from each other, are stationed on the same hill in Vietnam and are photographed together reading (of all things) their Campbell Press.

You will agree with us (we hope) that the photograph of SP/4 Duane Peterson and 1st Lt. Allan Corral definitely belongs on the front page of this newspaper.

Throughout the country, 1969 was a year of demonstrations.

And Campbell had one, also. It emphasized the need for better housing for the low income people.

And a marijuana patch was discovered growing wild (?) on the banks of Los Gatos Creek.

And the first savings and loan association was opened in the community.

So that's your front page. Could you do better?

-0-

REALLY THE BASIC point that this traditional pictorial review points out is that a lot does happen in any community during any given 12-month period.

And Campbell is no exception. As always, however, there were surprises and disappointments.

There was humor. There was tragedy.

But that's the way any 12-month period bounces.

Except 1969 has the added significance, real or imaginary, that makes it a little different from the usual run of things. It ends a decade.

"The 60's" are now history. Pundits, commentators, politicians and statesmen and, of course, community weekly columnists are now struggling for the proper connotation that will designate the past decade. The "Sizzling 60's".

-0-

LOOKING FORWARD should be of prime concern to all of us even if some feel that the only thing that they acquired during the past 10 years was age.

A long time ago we gave up trying to predict what objectives would or should be

Council stands firm on zoning issue

By a unanimous vote the City Council at the last meeting in 1969 upheld a split vote Planning Commission ruling which had rejected a zone change request made by Lowell Grattan on properties at 540 and 600 W. Campbell Ave. at the San Tomas Expressway.

Grattan had asked that the parcels be changed from R-1 (single family residential) to commercial to allow for a development of a service station or other business geared for the motoring public.

The Planning Commission recommended on a 4-3 vote that the parcels be zoned R-2-S (medium density) as specified in the general plan. The Council thus followed the recommendation of the planners.

Involved in the zoning issue was the Seventh Day Adventist Church, owners of property adjacent to the parcels. The church pastor said the church was anxious to acquire the rear portion of property owned by Grattan in order to expand the church.

The pastor of the church explained to the Council that the church had been unsuccessful in bidding for the property (with the county) when Grattan acquired it. He said that Grattan had indicated, however, that he would be willing to sell the rear portion to the church, if he could develop a service station on W.

achieved during any 12-month period.

What cured us, of course, was often when we would make an educated guess based on obvious facts, we would find that in 12 months the "facts" had a habit of changing.

As a f'instance:

Your editor wrote his first editorial about the need to do something about downtown Campbell Ave. 'way back in 1956 when he first hit town.

And each year thereafter, the theme song was continued. Until last year.

And we quote from last year's (Dec. 30, 1968) editorial:

"For probably one of the few times in the last 12 years since your editor has been writing year-end editorials, we have refrained from saying anything about what is in store for downtown Campbell Ave. during the next 12 months..."

"Although the so-called two-loop concept has been basically approved by city officials, we do not expect any major break-through next year, as far as the street is concerned.

"And we have a sneaking hunch that at this time next year, we will probably say the same thing about that much abused street..."

(Remember, that was written a year ago.)

-0-

IN OCTOBER, 1969, A petition with more than 800 signatures was filed in protest against the plan-line that was established for the north loop street

-0-

A HAPPY NEW YEAR TO you, too.

Campbell Ave. In the discussion following the closing of the hearing, the councilmen indicated that the zoning recommended by the Planning Commission (R-2-S) was in keeping with the Specific Area I plan and by a 5-0 vote accepted the commission's recommendation.

However, in two other zoning matters before the Council, the councilmen changed the Planning Commission recommendations.

The Commission had recommended (also by a 4-3 vote) that property located at 681 W. Hacienda be zoned R-D (duplex). The owner of the parcel, Marie Payne, had asked for R-3-S. By a 3-2 vote (Dean Chamberlin, Ralph Doetsch and Bill Smeed vs. Homer Hyde and Ed Rogers), the Council approved R-2-S zoning for the property.

In another zoning change matter, the Council voted unanimously not to change the present zoning (R-1-S) on property owned by Mr. and Mrs. Dave Sanders, at 375 Budd Ave., adjacent to the city-owned Rincon Park.

The Planning Commission had recommended that the

property be zoned R-D (duplexes), although the applicant had requested R-3-S (high density).

Mrs. Sanders told the Council that if the property could not be zoned R-3-S as she requested, she preferred to have it remain R-1 (single family). The Council then unanimously voted for the R-1 status.

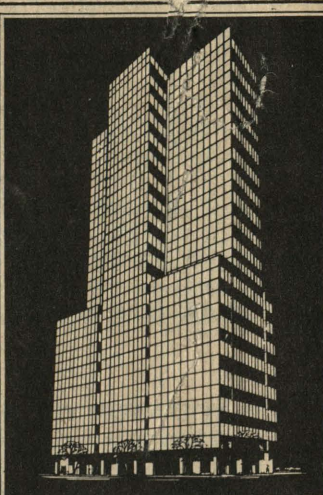

Prior to the vote, Don Hebard, chairman of the Parks and Recreation Commission, told the Council that the Commission hoped some day that the city could purchase the Sanders property for a recreation center.

The Council also voted 4-1 (Mayor Hyde dissenting) to change the zoning from CM to M-1-S on property owned by R. V. Cloud at 301 E. Hacienda.

First reading was also given at the City Council meeting to an ordinance annexing four parcels on White Oaks. All the property owners had requested the annexation thus eliminating the need for a public hearing.

The Council also gave approval to an ordinance that establishes new density standards for zoning, affecting the number of units per acre that are allowed.

The Council deferred action on an ordinance that would modify the city's present backyard burning regulations in order to comply with the Bay Area Air Pollution District ban of backyard burning after Jan. 1, 1970.

FROSTY THE SNOWMAN—Mary Ann Hanson proved to be an able song leader at the

recent Knights of Columbus children's Christmas party.

Listening to the children is Bill Podgorske in the background.

K of C council holds party

Santa Claus was the feature attraction at the Bishop O'Dowd Knights of Columbus Council No. 3474 annual childrens Christmas party held just before Christmas.

The party, which was held at the Wedgewood Drive hall, began with a song fest led by Mary Ann Hanson and Ricky Baker assisted by others led the 80 attending children in Christmas songs.

Santa Claus distributed gifts to all of the children and sacks of candy, apples and other treats were also given to the children. Refreshments were enjoyed by children and adults alike. Co-chairmen for the party were Roland Alix and Tony Ferrente.

College plans style show

The family life science department at West Valley College will present a style show on Jan. 15, 1970, at 7:30 p.m. on the Saratoga campus.

Models for the evening show will include students from beginning, basic and intermediate clothing classes. Clothing for the show will be drawn from those classes.

Refreshments will be served by foods classes. Numerous displays will be prepared for showing that evening by child development and interior design classes.

The public is cordially invited to attend.

Hawaiian honeymoon

Christmas colors of red and white were chosen by Margaret Ann Skinner for her December wedding held at the First Congregational Church of San Jose. As Margaret went to meet her bridegroom, Thomas Virgil Greenley, she wore a gown of Swiss satin and lace. A shoulder length veil was accented with stephanotis and red roses in her hair.

For her bridal bouquet she carried a single red rose and a white Bible.

The red velvet and white lace gowns worn by the bridal attendants carried out the color picture. Serving as maid of honor was Mrs. Catherine Stenga with the Misses Carol Abate, Jeanne Vrasculi, Sally Greenley and Jane Greenley as bridesmaids.

Both bride and groom were Del Mar High School graduates. Margaret is the daughter of Mr. and Mrs. John P. Skinner of Mariana Way and Thomas is the son of Mr. and Mrs. Virgil Greenley of Patio Drive. Margaret is a student at the University of California Medical Center, San Francisco, while the bridegroom has just received his degree from the University of California at Davis.

The new Mr. and Mrs. Greenley plan on making their first home in San Francisco following their honeymoon in Hawaii.

ONE OF THE LOCAL VISITS—Santa Claus made many visits in the Campbell area over the holidays, and

here he paused on his trip to visit with some of the children enjoying the Campbell Jay-Cee party for children.

Children enjoy JayCee party

Eleven children from the Moreland School district were treated to a visit from Santa Claus at a Christmas party given by the Campbell Jay-Cettes. Each child received a beautiful warm jacket from Santa as well as a Christmas stocking full of goodies.

Chocolate cake with whip cream was served with punch for refreshments. Games were played and carols sung.

In charge of the evening

festivities was Mrs. Claudia Smith, a new member of the organization assisted by Lorene Hughes, a senior member of the JayCettes. Also assisting was Mrs. Qual Brundage, president of the local organization, while Santa was played by Tom Prebil, a Jay-Cee member.

UNICEF concerts deadline Jan. 1

Deadline for applications to the 1970 UNICEF Youth Concert is Jan. 1. Information and applications are available to young Bay Area musicians by phoning 378-2535. Auditions for this year's concert series, now in its eighth year, will be held on Jan. 25 at the music department of San Jose State College with two concerts scheduled for March.

All contestants will audition anonymously before a panel of three judges, who will then choose the participants for the March concerts.

An unprecedented number of talented young musicians applied and auditioned for last years expanded series, and this year's response is expected to run equally high.

ATTEND MEETING

Jim Burks and W. L. Burks of Campbell Moving Company, Inc., have recently returned from Monterey, where they attended the American Red Ball Transit Company, Inc., annual sales meeting and workshop. Campbell Moving Company, Inc., is the Campbell sales agent for American Red Ball.

Boy Scouts

PACK 309

A re-organization meeting for Pack 309, Boy Scouts of America was held recently, with a second meeting planned for Jan. 6.

Present for the meeting was Ron Dickson, district executive, local council and Walt Honeycutt, area commissioner. The troop is open to all boys between the ages of 8 and 14.

Cub Scouts, ages 8 to 11 and Webelos, 10 to 11, will meet every Tuesday at 7:30 p.m. in Bennett Hall at the Congregational Church of Campbell, 400 W. Campbell Ave. The scouts, ages 11 to 14, will hold their meetings on Monday at the same place, also at 7:30 with pack meetings scheduled for Thursday at 7:30.

Any boy interested in joining the troop is invited to come to the meetings with a parent or they may call Fred Jones, Jr., scout commissioner, at 378-2760.

TROOP 318

On Tuesday, Dec. 2, Troop 318 held a potluck supper and Court of Honor at the Ida Price Cafeteria.

Initiated into the troop, sponsored by the Ida Price Home and School Club, were Mike Patterson, Ken Toney and Tom Stone. Second class awards were received by Ray Aver, Kevin Soulsby, Mike Norénberg, Jim Bryant, Lewis Buzbee and Bryan Jaques. Tenderfoot pins went to Walt Chapman, Jim Towne, Don Culver and Lynn Culver.

Movies and slides were shown of two week-long trips to the Sierras, as well as trips to Tomales Bay, Marin County and Ano Nuevo Beach.

ON LEAVE

Frank C. Myers, who has been with the 577th Engineer Battalion in Vietnam for the past year, arrived in San Francisco, Sunday, Dec. 21. With his wife, the former Beverly Rogers of San Jose, he is now visiting at the home of his mother, Mrs. Mildred Myers, 290 N. Latimer Ave. Mr. and Mrs. Myers will go to Ft. Benning, Georgia, in a month for his third year in the service.

The Campbell social scene in retrospect

As 1969 comes to a close and with it the last of the "Sixties", the Campbell Press takes a quick look over the social events that highlighted the calendar during the months of the last year of the decade. Many parties will be planned in the future, but in the meantime the memory of the year gone by will linger on for many.

In JANUARY Mrs. Ora Lowe was installed as president of the Ada Rebekahs, launching the new year. The Campbell JayCees started an active membership drive and Mrs. Courtland Watson was named "Citizen-of-the-Year" for her outstanding work done in the beautification campaign, and was presented with the award at the Chamber of Commerce luncheon.

FEBRUARY saw the ever popular Campbell High School Pops Concert holding forth and the local Parent-Teacher Associations all observed Founders' Day programs. The Sigma's from the Congregational Church of Campbell heard Gordon McLean on "How To Live With Teenagers and Survive", and the annual Old Settlers' Day Luncheon was held by the Orchard City Grange.

A rare treat was enjoyed in MARCH when the new, old

Gaslighter Theater group opened the old Campbell Theater with a benefit performance for Campbell Youth Employment Service. A full house launched the new enterprise which has since provided entertainment for many.

A successful luncheon and fashion show was also enjoyed by many, sponsored by the energetic members of the Women's Service Club at the First Methodist Church, and the American Legion, West Valley Post 158 initiated 18 new members.

In APRIL Mrs. Karl J. Belser was the guest speaker at the Campbell Country Woman's Club of Campbell. She spoke on her experiences of living for three years in Taiwan. "Swinging Into Summer" was the theme of the Mother-Daughter fashion show for Bucknall PTA and Mrs. Dorothy Trevethan was installed as president of the Business and Professional Women's Club. The Elementary Honor Orchestra presented their second concert at the Campbell School cafeteria and the San Tomas School held a carnival.

MAY was Mother's Day, and Mrs. Maggie Sullivan was chosen "Mother-of-the-Year" by The Campbell Press, and Brownie Troop members learned about the littering

problem at Vasona Park.

May was also the date of the annual Poppy Dinner held by the American Legion Auxiliary; the Campbell Hospital Auxiliary installed Mrs. Bernice Schramm as new president, and the Country Woman's Club received the first place award in Art Education and also installed Mrs. William Cave as president.

JUNE was graduation month with students from all over participating in graduating ceremonies both here and at many colleges. Ray Gilpatrick was installed as Grand Warden of the Independent Order of Odd Fellows of California at ceremonies in Bakersfield, and the traditional installation luau of the Campbell JayCees found Nozer Hala-dwala installed as president. A "Tea Cup Tea" was the event of the month for members of the Order of the Eastern Star, held at the home of Mrs. Lorene Van Sickle.

JULY found the Campbell Theater Arts Association presenting their first film rock concert. Irwin Pasternak was elected Grand Knight of the Knights of Columbus and a potluck picnic found 50 members of the family of Mrs. Arva Knowles holding a family reunion.

AUGUST was a doldrum month but in SEPTEMBER a

reception by the Eastern Star members honored Mrs. Marie Peterson. The Saratoga Drama Group was busily rehearsing for their production of "Mame" in the Wrinkled Prune Annex and the O.E.S. observed their 25th anniversary with past officers filling the chairs.

Miss Sandy Kemp was installed in OCTOBER as Worthy Advisor for the Rainbow Girls Assembly 235 and Mrs. Edith Morley was honored at a dinner as the Business and Professional Women's Club Woman-of-the-Year.

Pancake breakfasts dominated the scene for NOVEMBER, and the Campbell Hospital Employees art show was blessed with fair weather. One of the very successful bazaars of the year was the "Cheer-A-Dilli" event held at the First United Methodist Church by the Women's Society for Christian Service. Mrs. Helen Rice was honored at a party sponsored by the Ada Rebekah's for her years as trustee of the Children's Home.

DECEMBER was Christmas time with school parties, programs and Santa Claus visits. Rev. and Mrs. Corwin Olds observed their fiftieth wedding anniversary and the year closed with brisk blowy weather sweeping the smoggy skies clear for another year.

MAY

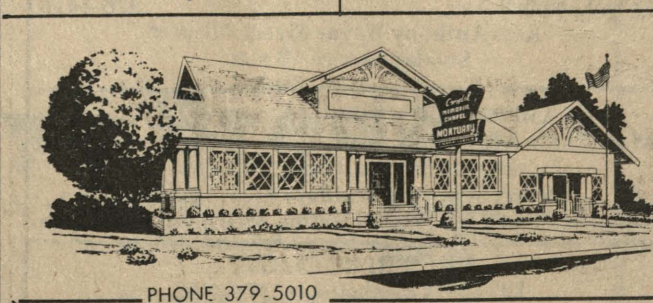

MRS. PATRICK SULLIVAN—On Mother's Day, May 11, The Campbell Press began a "tradition" by selecting Mrs. Patrick J. (Maggie) Sullivan, of 2289 Wren Way, as "mother-of-the-year" for Campbell for 1969. The mother of eight children, all under the age of 10, Mrs. Sullivan, in addition to directing her well-organized household, has found time to take part in many school and church activities.

NOVEMBER

HONORED BY CITY—Mrs. Joseph Suoto (center), of 236 N. Central Ave., Campbell, was presented with a certificate from the city for "having the cleanest lot in town."

Mrs. Jeanette Watson (left), chairman of the city's Beautification Committee, in making

Distance is no barrier

You can avoid complications, delays, and excessive expenses in arranging out-of-state funerals and transportation of the deceased . . . simply by turning to Campbell Memorial Chapel.

CAMPBELL Memorial Chapel

231 EAST CAMPBELL, CAMPBELL

Two Chapels To Serve You Campbell & Los Gatos

the award to Mrs. Suoto, explained that Mrs. Suoto, a 52-year resident of Campbell, has kept a vacant lot next to her home a model of cleanliness throughout the years. Mayor Homer Hyde, who recalled that Mrs. Suoto was his boss when he worked in the cannery in town as a youngster, took part in the ceremony.

GWENDOLYN STEINDORF
Final services were held Monday in Santa Cruz for Mrs. Gwendolyn Steindorf, former Campbell resident, who passed away Christmas Day following a sudden illness.

Mrs. Steindorf was the widow of the late Frank L. Steindorf, Jr., for whom the Frank Steindorf School was named in the Cambrian area. She and her husband operated a ranch on New Jersey Ave. for many years before his death in 1959.

Mrs. Steindorf was an active member of the Business and Professional Women's Club of San Jose; helped organize the Campbell BPW, and served as president of the local club as well as District BPW club.

Although she moved to Santa Cruz several years ago, she continued her association with the Campbell club and had many friends in this area, and had attended the Campbell BPW Christmas party shortly before her passing.

A native of Visalia, Mrs. Steindorf was in her 70's. Services were held at White's Chapel in Santa Cruz with private inurnment in the IOOF crematorium. Contributions to the Heart Fund are preferred in her memory.

Obituaries

CARMELITA CAPILLA
Leukemia claimed the life of 20-year-old Carmelita D. Capilla Christmas Day after an illness of only two months. Miss Capilla had been an active worker in the Hawaii State Hospital, an institution for the mentally ill, while still in her teens and at the same time found time to participate actively in sports. She was awarded the Young American Medal for her service in the hospital.

A graduate of Kailua High School in Honolulu, she established a shot put record of 43 feet, 11 1/4 inches in state-wide Hawaiian competition and also took part in the Olympic trials in California, placing third. She was the founder and first president of "Teens Against Mental Illness" in Hawaii.

She was residing at 13535 Quito Road and was a physical education major at West Valley College.

She was the daughter of Mr. and Mrs. Leslie D. Capilla, sister of LaVerne A. and Douglas E. Capilla, all of Saratoga and Allen D. and Valerie Capilla of Honolulu.

She also leaves her grandparents, Mr. and Mrs. Manuel F. Costa, Sr., of Keneohe, Hawaii and Mrs. Anita Capilla of Fremont.

Final services were held Monday from the Saratoga-Cupertino Funeral Home with Requiem Mass at 9 a.m. in St. Lucy's Church.

SEPTEMBER

ALL IN THERE--E. E. Admire (right) departing administrator of Campbell Community Hospital, goes over the books with his successor, Samuel H. Franks, who comes here from his post as director of the Veterans Administration Hospital in Salt Lake City, Utah.

Admire, who served for more than five years as administrator of the local hospital, was recently honored by the trustees of the hospital at a dinner meeting at which he was presented with an illuminated scroll.

Franks, the new administrator, who has served as administrator of both private and government hospitals, was born in England. He served in the U.S. Army from 1942-46 and from 1949-54 served in VA hospitals in the bay area.

LEGAL NOTICE

ORDINANCE #709
BEING AN ORDINANCE OF THE CITY OF CAMPBELL AMENDING SECTIONS 9307 THROUGH 9307.6 AND 9308 THROUGH 9308.9 OF CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE, ENTITLED PLANNING AND ZONING PERTAINING TO RESIDENTIAL DENSITY IN THE R-2-S AND R-3-S ZONING DISTRICTS.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the following sections of Chapter 3, Article IX of the Campbell Municipal Code, entitled Planning and Zoning, be and the same are hereby repealed: Sections 9307 through 9307.6 and 9308 through 9308.9.

SECTION TWO: That the following sections be and the same are hereby enacted as a part of Chapter 3, Article IX of the Campbell Municipal Code, entitled Planning and Zoning, regulating residential densities in the R-2-S and R-3-S Zoning Districts.

"R2" MULTIPLE-FAMILY DISTRICT
SECTION 9307
The following regulations shall apply in the "R2" Multiple-Family Districts:

Section 9307.1 USE
No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged except for the following uses:

1. Any Use permitted in the "R1" Single-family District.
2. Single-family residences.
3. Two-family residences.
4. Multiple-family dwelling(s) as per Section 9307.6.
5. Uses customarily incident to any of the above uses - same as the R-1 District.

Section 9307.2 SIGNS
Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8

Section 9307.3 AUTOMOBILE PARKING
Off-street parking and loading spaces shall be provided as required in Section 9319.

Section 9307.4 HEIGHT
Two and one-half (2½) stories or thirty-five (35) feet.

Section 9307.5 OPEN SPACE REQUIREMENTS
Open space shall be provided as required in Section 9318.3.

Section 9307.6 LOT AREA REQUIREMENTS
6,000 sq. ft. minimum for single-family dwelling - 60' width.

Provided that where a lot has a width of less than sixty (60) feet or an area of less than six thousand (6,000) sq. ft. and was recorded under one ownership at the time this chapter became effective, such lot may be occupied by a single-family residence.

7,000 sq. ft. minimum for two family dwelling - 60' width.

Provided that any residential development of 7,000 sq. ft. or more which has an existing single-family residence may add one (1) or more units, depending upon the sq. ft. of the lot, to the existing dwelling and such existing dwelling shall conform or be made to conform to all zoning and building code requirements for the area in which it is located.

Provided further that any residential development on property having an area of less than ten thousand (10,000) sq. ft. shall be limited to one (1) building.

FBI announces jobs available for young people

Jobs are available for both young men and young women with the Federal Bureau of Investigation at Washington, D.C., according to John Page of the San Jose FBI office.

Beginning salaries range from \$4,360 to \$5,522 per year and provisions are included for regular advances in salary and position based on performance and Civil Service standards.

Employment requirements are possession of a high school diploma, a good reputation and good health.

Positions are clerical and stenographic in nature - including a wide range of office and related duties - and are particularly attractive to persons desiring to attend or to finish college.

Working hours are fixed so they will not interfere with an educational program that can be arranged at nearby colleges, business schools and technical schools. Many schools participate in a forgivable loan program administered by an agency of the U. S. Department of Justice.

Persons interested may send a letter to Special Agent in Charge, Federal Bureau of Investigation U.S. Department of Justice, 450 Golden Gate Ave., Box 36015, San Francisco, Calif. 94102.

AT RECOGNITION DINNER--E. M. (Doc) Arends, (left), long-time trustee of the Campbell Union High School District, was the narrator of the series of slides entitled, "The Job That Took a Lot Of Doing" at the recognition dinner for Laurance J. (Larry) Hill (center) who will retire June 30 after 22 years as district superintendent.

Hill will be succeeded by Dr. Nicholas Montesano (right) who presented his "chief" with the plaque from the district staff. Hill was presented with many other words and gifts at the dinner Friday night that was attended by 650 of his fellow citizens.

8,000 sq. ft. minimum for three or 4-unit dwelling. For all lots in excess of 8,000 sq. ft., the units per lot area may be calculated at one (1) unit for each 1725 sq. ft. of lot area. Lot width is 60' minimum.

"R3" MULTIPLE-FAMILY DISTRICT
SECTION 9308
The following regulations shall apply in the "R3" Multiple-Family Districts:

Section 9308.1 USE
No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered or enlarged except for the following uses:

1. Single-family residence and other uses permitted in the "R-1" Districts.
2. Two-family residence.
3. Multiple-family dwelling(s) as per Section 9308.6.
4. Court Apartments.
5. Hotel, in which incidental businesses may be conducted only as a service for persons living therein, provided there is no entrance to such place of business except from the inside of the building and that no sign advertising such business shall be visible from the outside of the building.
6. Boarding or lodging house.
7. School, Elementary or High.
8. Hospital, rest home, nursing home, and sanitarium, but not including an animal hospital or a clinic, hospital or sanitarium for contagious diseases or the treatment of drug or liquor addicts or mental cases.
9. Institution of an educational or philanthropic nature, except those of a correctional nature or for mental cases.
10. Private club, lodge, fraternity or sorority except those the chief activity of which is a service customarily carried on as a business.
11. Uses customarily incidental to any of the above uses - same as the R-1 District.

Section 9308.2 SIGNS
Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8

Section 9308.3 AUTOMOBILE PARKING
Off-street parking and loading spaces shall be provided as required in Section 9319.

Section 9308.4 OPEN SPACE REQUIREMENTS
Open space shall be provided as required in Section 9318.3 of this Code.

Section 9308.5 HEIGHT
No building or structure shall hereafter be erected to exceed a height of seventy-five (75) feet.

Section 9308.6 LOT AREA REQUIREMENTS
6,000 sq. ft. minimum for single-family dwelling - 60' width.

Provided that where a lot has a width of less than sixty (60) feet or an area of less than six thousand (6,000) sq. ft. and was recorded under one ownership at the time this Chapter became effective, such lot may be occupied by a single-family residence.

7,000 sq. ft. minimum for two-family dwelling - 60' width.

Provided that any residential development of 7,000 sq. ft. or more which has an existing single-family residence may add one (1) or more units, depending upon the sq. ft. of the lot, to the existing dwelling and such existing dwelling shall conform or be made to conform to all zoning and building code requirements for the area in which it is located.

8,000 sq. ft. minimum for three or 4-unit dwelling. For all lots in excess of 8,000 sq. ft., the units per lot area may be calculated at one (1) unit for each 1,225 sq. ft. of lot area. Lot width is 60' minimum.

PASSED AND ADOPTED this 22nd day of December, 1969, by the following roll call vote:

AYES: Councilmen: Chamberlin, Doetsch, Rogers, Smeed, Hyde
NOES: Councilmen: None
ABSENT: Councilmen: None
APPROVED: Homer H. Hyde, Mayor
ATTEST: V. M. Sheehy, Deputy City Clerk
Publish: December 30, 1969

GAVEL EXCHANGE -- Bill Smeed, (left), who served as mayor of the City of Campbell for the past year, on Monday night turned his gavel over to Homer Hyde who was named mayor for the next year by his fellow councilmen. Hyde served as vice-mayor last year.

Since 1966 it has been the policy of the council to shift the mayor's gavel every year with the vice-mayor stepping up. Dean Chamberlin was elected vice-mayor on Monday. Hyde became this city's 10th mayor.

LEGAL NOTICE

NOTICE OF TRUSTEE'S SALE
Escrow No. F. No. - 2799

On Wednesday, the 21st day of January, 1970, at the hour of 10:30 o'clock A. M., BEFORE 880 NORTH FIRST STREET, SAN JOSE, CALIFORNIA, ON THE SOUTHEAST CORNER OF NORTH FIRST AND HEDDING STREETS IN SAID CITY OF SAN JOSE, METRO PROPERTIES COMPANY, INC., a California corporation, as Trustee, will sell without warranty at public auction to the highest bidder for cash in lawful money of the United States, all payable at the time of sale, the following described real property:

(For description of property see Exhibit "A" which said Exhibit is by this reference incorporated as if herein fully set forth.)

Said sale will be made without covenant or warranty regarding title, possession, or encumbrances to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by ALBERT V. SONORA AND SHIRLEY R. SONORA, his wife, as Trustor(s) to METRO PROPERTIES COMPANY, INC., a California corporation, as Trustee, for the benefit and security of LORETTA M. FORREST, as Beneficiary (ies), dated February 21, 1964, and recorded March 5, 1964, in Book 6412, at page 232, Official Records, Santa Clara County, State of California.

Notice of Default of said obligation and election to sell said real property was recorded in the office of the County Recorder of said Santa Clara County on September 17, 1969, and appears in Book 8673, at page 161.

This Notice is given in compliance with the written application heretofore made on the Trustee by the beneficial holder (s) of said Deed of Trust. The beneficial interest under said Deed of Trust presently stands of record in LORETTA M. FORREST.

LEGAL NOTICE

ORDINANCE #710
BEING AN ORDINANCE AMENDING THE ZONING MAP OF THE CITY OF CAMPBELL, CALIFORNIA.

MARCH

QUITE A PROBLEM—Jim Armstrong, of 204 N. First, (pictured above with his two youngsters, Karen and Jimmy and the family trailer) is one of the opponents of the pro-

posed city ordinance that would prohibit the storage of boats or trailers in front yards in town. The ordinance is scheduled for second reading at the City Council meeting

Monday. The other photo is of the G. H. Rhine residence at 235 N. Second. A boat and a trailer are parked in the driveway.

NOVEMBER

NEW BANK BUILDING—James B. Wiesler, vice-president and head of Bank of America's San Jose-Salinas Valley regional administration, points out the new home of the bank's Hamilton Plaza branch in Campbell. It will be a free-

standing building at the north-west corner of Bascom and Campbell avenues in "The Prune Yard" specialty center. Kevin M. Salmon, leasing director of "The Prune Yard" and "The Towers", is on the left and Oscar Sorenson, man-

ager of the Hamilton Ave. branch, is on the right.

Stickers not new plate for cars this year

Vehicle owners who renew their 1970 registrations will get a one-by-two-inch orange sticker — not a new blue and gold license plate, Department of Motor Vehicles Director James W. Chapman has emphasized.

He said many people have the erroneous impression that the department is making a statewide distribution of new

license plates, such as occurred in 1956 and 1963.

"The transition from the yellow-on-black to the gold-on-blue plates is geared to the rate of replacement of old cars by new and out-of-state cars," he explained. "Seven years or longer may pass before the great bulk of vehicles carry blue plates."

Persons willing to exchange their present license plates for the new blue ones for a fee of \$3 may do so beginning March 1, 1970. "That date," said Chapman, "will put the present registration renewal season behind us, and we can then begin processing large numbers of license plate changes without swamping

our staff."

Chapman urged all motorists to make early registration renewal their first order of business. "February 4th is the legal deadline, but fortunately the vast majority of vehicle owners don't wait that long," he commented.

WVC has course on stock market

Speculation in the stock market will be under discussion at West Valley College in January.

On four consecutive Wednesday evenings beginning Jan. 7, registered participants will hear an account executive with the investment securities firm of J. Barth & Co. discuss various aspects of the stock market.

During the four sessions, H. Bruce Furchtenicht will cover topics including accumulation of wealth, reasons for considering stocks, choices in the stock market, growth areas in the economy, mutual funds, tax considerations of investments and preservation of capital.

YES-WE ARE READY—Jerry Arca, Youth Employment Service (YES) chairman, goes over a folder of job applicants with Judy Ann Rothwell, newly appointed Youth Em-

ployment director who will be running the YES office in the Campbell Chamber of Commerce suite during the summer.

FOR THE FAMILY—Mrs. Dale (Sharon) Scott on Saturday night at the awards banquet accepted for her husband the second annual Distinguished Service Award presented by the Campbell Jay-Cees.

Scott, who was in Washington, D.C., was chosen by the judges over seven other nom-

inees for the coveted award which goes to the young man or woman (21-35) who has shown outstanding leadership qualities in the community.

Dr. David Barry, executive vice-president of San Jose State, and main speaker at the banquet, made the presentation to Mrs. Scott.

Money Saving Notice

Have you taken all the deductions for family health needs allowed you under Federal Income Tax law? Most people don't... simply because receipts get lost or misplaced and very few people know the wide variety of pharmacy items which are deductible.

BUT NOW our pharmacy has a free Tax Information Plan which could mean dollar savings at income tax time. Remember, a taxpayer whose medical expense deductions exceed one per cent of his income gets back 16 cents on every \$1.00 spent on health needs.

Our customers now receive a monthly and annual total of all tax deductible purchases. This very same information is important in substantiating expenses under a medical insurance program.

Most people remember that health supplies ordered by a physician qualify, but below there is a list of some of the thousands of products which are also deductible.

Remember, the Federal Government wants you to pay only what you actually owe... no more... no less. Use TIP for accuracy and to assure yourself of the maximum dollar benefit allowed by law.

IF YOU ARE A TAXPAYER you may be eligible to save 16% or more on hundreds of drug store items.

Our special service can help you do it.

PHARMACY PHACTS

By Allan Blaine

There is no truth to the belief that hair is dying because it has a feeble blood supply.

In the normal scalp, it takes about twenty-eight days for a cell of skin to be born, move to the outer edge of the scalp, harden, and die. The skin then peels away - but it is too thin to be noticed. The dandruff scalp has skin cells that are much thicker and, therefore, noticeable.

Our bodies are approximately two-thirds water. A 150 pound man is about one-hundred pounds of water.

Over half of the nation's psychiatrists are located in five states; 21% in New York, 13% in California, 6% in Pennsylvania, 6% in Massachusetts, and 5% in Illinois.

Did you ever hear that legend about the full moon bringing on births? A Lancaster, Pennsylvania hospital had the largest number of births for any weekend during a full moon.

As promised last week in this column, we have an important announcement to make today about T.I.P.—our TAX INFORMATION PLAN—Please see our ad on page 7.

For modern service with old-fashioned courtesy, bring your prescriptions to

LENDING A HAND—Father John Lally (left), pastor of St. Lucy's Catholic Church in Campbell assists Father Paul A. Perlite, pastor of the new St. Thomas of Canterbury parish at the groundbreaking for the \$289,000 parish center. A large portion of the 18-month-old St. Thomas of Canterbury parish formerly was part of St. Lucy's.

College offers four lectures on critical issues

Four of the critical policy questions facing America today will be discussed in depth at West Valley College beginning Jan. 7.

Dr. Philip Mosely, director of the European Institute of Columbia University will deliver one of the four lectures on "America and Western Europe." His speech will be the third in the series and will be delivered on Thursday, Jan. 22 at 8 p.m. The other lecturers will speak on Wednesday evenings at 8 p.m.

Mosely served as a U. S. delegate in the Department of State in many negotiations following World War II.

Other lecturers include the Rev. Andrew Juvinall, pastor at Hamilton United Methodist Church in San Francisco and active member of the United Nations Association, who will speak Jan. 7 on "Russia Revisited."

Dr. Juvinall will be discussed Jan. 14 when Dr. Donald Barnhart, chairman of the social sciences department at San Francisco State College, speaks on "Latin America: Does U. S. Policy Promote Military Rule?"

Winding up the four week series on Jan. 28 will be John K. Emmerson, scholar in residence at Stanford University and research fellow at Hoover Institution, who will speak on "Japan and the United States in Pacific Asia".

The forum is being sponsored by West Valley College

CHANGES MADE—Key Market is now the name of the former Lee Bros. Market in the Campbell Shopping Center at

Winchester and Latimer. This weekend a gala opening is planned for the new market which features an auto show

Friday, Saturday and Sunday, as well as a "crazy auction" on Saturday from 1 to 5 p.m.

NORTH LOOP OPPOSITION—Ollie Jensen, of 156 N. Second St. (standing) makes

a point at the City Council meeting against the north loop consisting of 551 names was presented by Mrs. Opal Graham, 46 N. Second St., seated on the right. In the foreground is John Shea, of 75 N. Second St., another opponent.

SPORTS FANS!

I BET YOU DIDN'T KNOW

By Al Saliccia

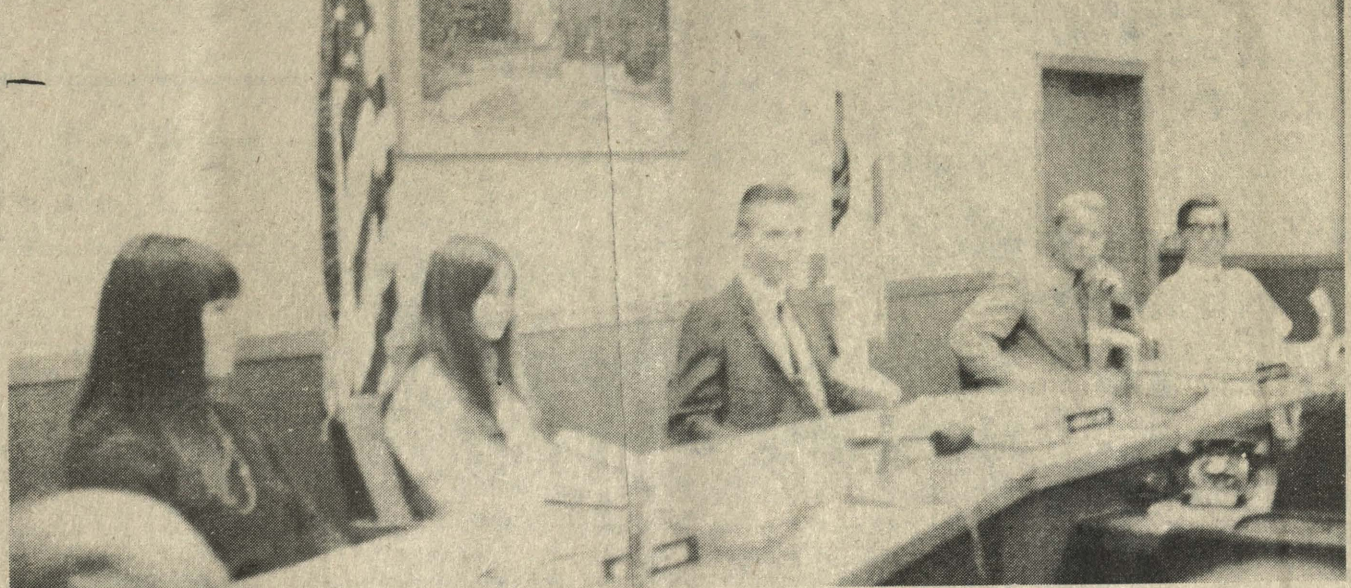

Here's a real football oddity... There once was a game between Southern Cal and Washington in which one player scored all the points in the game FOR BOTH TEAMS!... He was Byron Haines of Washington, and here's how he did it... He scored a touchdown for his own team, and later in the game was tackled behind his own goal line, giving a safety to his opponents... The final score of the contest was 6-2, so he scored all the points!

Here's one of the most fantastic records ever made by any football team... It was made by the Army team of 1945 that featured those two greats, Doc Blanchard and Glenn Davis... Army set an all-time record that year by AVERAGING 7.9 yards per play!... Imagine a team averaging almost 8 yards every time they put the ball in play... That's a record that may stand for a long, long time.

What is now the Humble Oil & Refining Company began in 1927 with a decision on the part of Standard Oil Company, New Jersey to decentralize its operations. Today the Humble Company is the largest Oil Company in the U.S. It has some 36,000 employee's working at finding, producing, transporting, manufacturing and marketing oil and oil products. Its refineries and manufacturing plants have a capacity of a million barrels a day. Humble now has over 30,000 retail outlets in the United States.

ENTRANCE SIGN--For the first time in the history of the city, an official entrance sign has been installed. The design, construction and installation of the sign, located in the median strip of W. Hamilton Ave., was a civic project of the Campbell JayCees. The design was approved by the City Council. The Campbell Garden Club has indicated that it will

undertake the landscaping around the sign with the city picking up the tab for the necessary lighting. Dave Norman (left) and Mike Kennedy are shown putting the finishing touches on the installation. Rich Smith also assisted. The same design will be used in other entrance signs that will be installed.

GOODBYE '69

PICTORIALLY

FOREST HILLS SCHOOL "UNVEILS" PATRIOTIC MOSAIC AT 7:30 P.M.--On Wednesday night at 7:30 p.m. the gigantic patriotic mosaic on which the 800 children of Forest Hill School have been working since last January, will be unveiled and dedicated in an impressive ceremony.

The tile mosaic titled "National Monuments" was hung Monday on a blank wall in front of the school at 4450 McCoy Ave. Unveiling ceremonies are planned for Monday evening, and according to Fred Peterson, principal, the children are so excited about the dedication ceremonies, that letters of invitation have been written to President Nixon, on down.

Local school officials, including Neal Royer, superintendent of the Campbell Union School District and members of the Board of Trustees are invited to see the colorful piece of work which involved 23,137 pieces of tile ranging in size from the tip of a pencil to a half dollar and using all the colors available.

The patriotic theme was chosen by the children of the school and the different panels show the United States and California flags, the Lincoln Memorial, the Statue of Liberty, the American Eagle and the Liberty Bell.

Franklin Deats receives Army heroism award

Army Specialist Four Franklin H. Deats, 21, son of Mr. and Mrs. James E. Deats, 1310 Harriet Dr., Campbell, received the Distinguished Flying Cross and his second award of the Air Medal at Camp Evans, Vietnam.

Spec. 4 Deats received the awards for heroism in action while engaged in aerial flight in connection with military operations against a hostile force in Vietnam.

The specialist is a radio telephone operator in Company A, 158th Aviation Battalion, 3d Brigade of the 101st Airborne Division (Airmobile).

GOING UP—Another step in the construction phase of "The Towers", dramatic 18-story office building being constructed at Campbell and Bascom avenues at Union, was taken this week. Workmen started the installation of the glass panels (as the photos show) that will provide maximum illumination and view by continuous and uninterrupted windows around the perimeter of each floor.

ON CAPITOL HILL

with "Charlie" Gubser

Early in December when the House passed legislation to insure voting privileges to Negroes and other minority groups in all 50 states, it provoked some unjustified and unfair statements by national civil rights leaders. Those of us who felt that voting laws should apply to the entire nation, as well as to southern states, were accused by prominent civil rights leaders of striking "a blow at the nation's black voters". One went so far as to imply that the Ku Klux Klan had had its way.

As a consistent supporter of civil rights legislation, I deeply resent these implications.

In 1965 I voted for legislation designed to improve participation in the elective process by Negroes in the southern states. The bill we passed provided that in any state where 50% of those constitutionally qualified to vote had not voted in the year 1964, a long chain of requirements would be imposed.

Federal registrars could be sent into the area to register Negroes and other minorities, literacy tests would be outlawed, and each state involved would be required to secure permission from Washington to change their voting laws.

We passed the 1965 law because it was obvious that certain southern states were purposely denying Negroes the right to vote. But some of us still held reservations about allowing a northern state to be exempt if 51% of its voters went to the polls while only 49% exercised their right of franchise in a southern state.

Undoubtedly the voting rights law was partly responsible for the registration of almost a million Negroes in the South, but it was not entirely responsible. For example, in Texas, where the new law did not apply, Negroes were registered in greater numbers. But on balance I believe the voting rights law accomplished enough to justify applying it to all states.

So, along with others, I supported an extended bill to abolish literacy tests in every state of the union pending a national study and to provide the same restrictions against

all 50 states as against the South. Discrimination in Missouri or Chicago is just as evil as it is in Alabama or Mississippi, so why shouldn't the laws apply to every state?

If a literacy test is wrong in the South, is it proper in the North? If a northern state votes less than 50% in a future election, is it less wrong than when it happens in Dixie?

Here is the real reason some opposed the national voting rights bill: Voting participation by Negroes had improved so much in the 1968 election that many southern states would satisfy the 50% requirement (based upon 1968) and be entitled to the same exemption as the rest of the country. But if the old 1964 figures were used, a southern state could never receive equal treatment regardless of how its performance improved. They overlooked the fact that the nationwide law would only grant a parole for good behavior which would be immediately revoked with any new violation.

I believe in equal rights under law. We cannot justify inequality for the sole purpose of permanently punishing a geographical area for past sins already atoned!

June 12 deadline for W V college spring entries

Day students interested in attending West Valley College this spring must file an application by Jan. 12.

Due to the anticipated heavy increase in enrollment over previous spring semesters students who fail to meet the Jan. 12 deadline will, of necessity, be restricted to extended day (evening) classes.

Application for admission may be made in the Admissions and Records Office, located on the Campbell campus, Monday through Friday from 8:30 a.m. to 5 p.m. and Monday through Thursday evenings from 6 to 10 p.m.

A priority to register will be issued to all students upon completion of the necessary applications for admission (including identification photo); high school and college transcripts; test scores, and a fact sheet, provided this is done by Jan. 12.

Registration will be held Feb. 2 through Feb. 4 for day students who have met the entrance requirements. Instruction begins on Feb. 9.

Those students interested only in registering for extended day classes should make application for admission by Jan. 22. All students who apply after Jan. 22 will be issued a priority to register late on Feb. 16, the last evening to register for extended day classes which are still open.

Voters who have moved within county can register by postcard

Voters who have moved from one address to another within this county can now do a quick registration by means of a postcard, George Mann, the County registrar of voters, reports.

The special postcard forms are now available at the post offices in the county and through the personnel departments of 25 major employers.

At the post offices the cards can be found on lobby counters and tables next to the post office change-of-address forms.

The "quickie" registration is the result of a new state law, but it applies only for changes of address. Voters who wish to change their

political party or who lost their registration by failing to vote must make out a new affidavit of registration.

Mann explained that this can be done at any fire station.

He also offered to provide the change-of-address cards to the personnel department of any firm with more than 200 employees.

Mann explained that the new law will make possible an even spread of re-registration work throughout the year for his office, with a probable cut in overtime expenses.

He said that his office received 60,000 re-registrations last year in the last week

Christmas Eve shooting lands man in jail

William H. Smith, 23, 195 Rincon Ave., was facing charges this week of suspicion of assault with a deadly weapon, assault with intent to commit murder and felony assault on a police officer after he barricaded himself in his home Christmas Eve and refused to surrender to Campbell police officers who were making a welfare check on his wife, Winifred.

Officers Rex Noyer and Richard Wixon were checking on the home at the request of Mrs. Smith's mother, who feared for her daughter's safety after Mrs. Smith had left the family auto because her husband was drinking and acting belligerently. Smith then assertedly threatened to follow his wife and take action against her.

When the officers approached the Rincon Ave. home they were met at the door by Smith accompanied by a large Doberman Pinscher, who was "trained to kill", according to Smith who threatened to turn the dog loose on the officers.

Reinforcements were called after Smith said he'd kill the officers and was armed. Smith refused to answer pleas made both by phone and by bull horn, and several shots were fired by Smith, apparently in an effort to drive the policemen away.

Entry was made after tear gas was fired into the residence and three officers, wearing gas masks, rushed into the home.

The large dog was killed by Officer William Barnes when it threatened the officers. Smith was laying on a couch, and offered no further resistance.

Smith has a previous record of assault filed several months ago when he reportedly beat up his wife and mother-in-law.

County housing to get funds for 100 units

Additional funds are available for another 100 units of rent-supplement housing, the Housing Authority of the County of Santa Clara has been informed, according to John Burns, Authority Executive Director. Funds would be available for either mobile homes or regular leased housing, he said.

Burns notification followed closely behind official notification from Congressman Charles Gubser that housing funds had been allocated through fiscal 1971, and the Housing Authority would not receive 1,000 units it had requested.

The Housing Authority funding for 700 units has been virtually completed, Burns reported.

As the year draws to a close we see that rainfall during the past seven days has amounted to .25 inches, with the total to date being 3.65 inches. Last year at this time the figure was 5.42 inches. The normal rainfall to date is set at 5.80 inches.
